

Race for Education

Monday, April 10, 2017

Dear Family and Friends,

This spring, my class and I will be participating in our 6th annual Race for Education while raising money for our school, High Point Baptist Academy. I have the exciting opportunity to join the whole High Point Family including students, parents, teachers, faculty, staff, and friends, with this important fundraiser. The entire school is excited about this walk-a-thon because it provides much needed funding to support quality education that is built on a Christ-centered biblical worldview.

High Point Baptist Academy is led by dedicated faculty and staff who are committed to the academic and spiritual well-being of their students. High Point has enriched students' lives since it began in 1972, and it continues to develop the lives of students 44 years later.

This event enables High Point to continue to provide a biblically-based instructional program in a discipleship-oriented environment that develops spiritual commitment, academic excellence, physical development and social maturity. My goal is to raise money for my school through personal sponsors like you. Would you be willing to sponsor me? All contributions are tax deductible and ANY amount will be greatly appreciated.

Your contribution, on my behalf, is a true investment in children's lives. Thank you for your consideration and generosity. Please fill out the portion below and return it to my school or you may also donate online. Please call the school or me with any questions you might have.

With sincere thanks,

The Race for Education has made it possible to expand and update High Point Baptist Academy's music program. This year we were able to start a band program. High Point works hard to provide opportunities for students to explore and discover various interests and talents and to display their abilities in a yearly regional competition. Because of your generous donations, our students are benefiting in many ways, including the opportunity to participate in music classes, ensembles, vocal choirs, and band.

Yes! I will support _____ in this year's Race for Education.
