## Make it Personal

- ✓ Add a note explaining why you are requesting sponsorship.

*Hi family and friends!*

*We are so excited for Serve-a-Thon 2023! This year we will be assembling seed packets for UNTO, a ministry of Cru. We will be raising support for HPBA, who impacts lives for Christ daily and in turn will be living out one of our school's missions of selflessly serving others. The funds raised will aid in classroom improvements, technology, the arts, and facility updates.*

*Our school has set a goal of raising \$45,000! Would you consider sponsoring us and help us help our school reach our goal. Also, please pray for us as we serve and for the individuals and families that will be blessed through Unto!*
