Summer Happenings from the Athletic Department

We wanted to touch base with a few happenings that will be going on this summer. Attached is our information for open gyms and camps that will be held during the summer months. There is no need to sign up for open gyms. They will be running every week per the schedule. Any changes will be posted on the HP Athletic Instagram page and coaches. Please be sure to follow and check frequently.

The first day of pre-season will begin August 11th. All athletes will need to have their new physical form completed by first practice to be able to participate. The forms may be brought on the first day of practice or mailed into the school office. All athletes are required to be at the two-week pre-season practices.
